**2018-19 CMAS BID Questions**

Q) SHI would like to submit to be considered for your E-Rate 470. We noticed that CMAS is the only contract listed on the RFP. SHI holds NASPO and National IPA for the requested equipment, but not CMAS. Will other contracts with equivalent or better pricing be considered?

A) Unfortunately the CMAS contract is the only one that is accepted per the RFO. Therefore only Service Providers that have a CMAS contract in place can bid on this RFO.
