

Dear Incoming First Grade Families,

At Pinetree School we are proud to provide our students with all of the basic supplies they will need for a successful school year. We know that many children and families like to purchase their own supplies as well contribute supplies to the classroom. With Back to School sales approaching you may wish to take advantage of the reduced prices. Below is a list of supplies that might be useful at your child's grade level.

Any and all donations are greatly appreciated and will be put to good use in the classroom. Have a wonderful summer and we look forward to meeting your students very soon!

Thank you,

The First Grade Team
