

# Kindergarten Classroom Supplies Wish List

Below is a list of supplies that would be useful at your child's grade level.

Dear Incoming Kindergarten Parents/Guardians,

At Pinetree School we are proud to provide our students with all of the basic supplies they will need for a successful school year. We know that many children and families like to purchase their own supplies as well contribute supplies to the classroom. With Back to School sales approaching you may wish to take advantage of the reduced prices. We will appreciate any of these donations now and/or ANYTIME throughout the year!

Any and all donations are greatly appreciated and will be put to good use in the classroom.

Thank you,  
The K Grade Team

**Important Technology Needs:** As we move forward with new technology, we find that our students are in need of headsets that have an attached microphone. Students will use these in class as well as in the computer lab. These headsets will be used throughout your child's stay at Pinetree. We would like each student to provide his/her own set if at all possible. These will be stored in a Ziplock bag with each child's name on it, as we do **NOT** want the students to share headsets. We have found reasonably priced headsets on Amazon and at Staples. Please note, these are just suggestions. We encourage families to get whatever suits their budget.

Thanks so much!
