

Friday Update, June 25, 2021

Good evening Sulphur Springs Union School District Families. This is Dr. Catherine Kawaguchi, your Superintendent with a Friday Update, June 25, 2021.

Bus Transportation for School Year 21/22

The Los Angeles County Department of Public Health has adjusted its protocols when riding school buses and we ***are able to return to normal capacity*** for students to ride the school bus. Please remember that all students are still required to wear a face mask when riding the school bus.

In order for your child to ride the school bus for the new 21/22 school year, a transportation application **must be completed and turned in.** Please see the attached applications. All applications can be turned in at the District Office or emailed to transportation@sssd.k12.ca.us
