HOME / For Parents/Community / For Parents

Dear Families,

We have recently received several inquiries about the impact of the coronavirus on our school communities. We continue to keep the health and well-being of our students and staff as our highest priority.

We're sharing the latest information from the Los Angeles County Department of Public Health about the 2019 novel coronavirus.

Our school nurses and health personnel continue to receive updates and guidance on signs and symptoms of the coronavirus, and our school district is working closely with the LA County Department of Public Health.

Public Health has also released frequently asked questions (FAQ) on coronavirus, please refer to the attachment in English and Spanish .

Public Health is currently developing additional guidance for school communities which we will share with you as soon as it becomes available.

Please contact our school district office and/or your school Principal with any additional questions. Thank

The screenshot shows the English version of the Aeries login page. At the top right, there is a language dropdown menu set to "English". The Aeries logo and "Student Information System" text are centered. Below this is a text input field labeled "Email". A red button labeled "NEXT" is positioned below the input field. Underneath the button is a link that says "Forgot Password?". At the bottom, there is a section titled "Get the Aeries Mobile Portal App!" with two buttons: "Download on the App Store" and "GET IT ON Google Play".
