

Friday Update, December 3, 2021

Good evening, Sulphur Springs Union School District Families. This is Dr. Catherine Kawaguchi, your Superintendent with a Friday Update, December 3, 2021.

Updated Student Calendar:

I want to bring your attention to the updated Student Calendar for the 21/22 school year. Friday, December 17th is a minimum day for students. Also, March 8th, 9th, and 10th are minimum days as well to prepare and hold parent conferences. I have attached the updated calendar to your email.

Learning Walks:

During the next few weeks, I will be walking through classrooms with your Principal to see all of the amazing learning that is taking place. Our teachers are working extremely hard to provide the best instruction for your child. I want to also let you know that we have outstanding support staff and administrators there every day to do what is needed to assist teachers and students.

Wishing you and your family a wonderful weekend. Thank you.
