

## **Friday Update, May 21, 2021**

Good evening Sulphur Springs Union School District Families. This is Dr. Catherine Kawaguchi, your Superintendent with a Friday Update, May 28, 2021.

As we are coming to our last two weeks of school, I want to let you know how much we have appreciated your support with making sure that your child has their materials for school and is prepared to learn. We know that there have been several challenges this past year, and we thank you for partnering with us to support your child.

For those families currently that have their child in the Learning@Home Program, the District needs you to return your child's digital device, charging cord, and hot spot if one was provided. Device, cord, and hot spot return will be **June 10<sup>th</sup> and 11<sup>th</sup>** at your child's **home school**. Your child's Principal will be sending out additional information regarding the time and procedures to return the device, cord, and hot spot in a ParentSquare Communication next week.

Please know that if you are planning on enrolling your child in the Scholars@Home Independent Study Online Program for the 21/22 school year, you will need to complete an Intra-District Transfer Form. Once the Form is completed, please return the form to your nearest school's front office or email it to [isaavedra@sssd.k12.ca.us](mailto:isaavedra@sssd.k12.ca.us). If you are needing information regarding the Scholars@Home Independent Study Online Program, you can go to the District's Home Page at [www.sssd.k12.ca.us](http://www.sssd.k12.ca.us) and find additional information.

If you **do not** want to enroll your child in the Scholars@Home Independent Study Program and you want your child enrolled for **in-person learning**, full day, 5 days a week, for the 21/22 school year, you **do not** need to complete any forms. Your child will be automatically enrolled for in-person learning.

Wishing you and your family a restful Memorial Day weekend as we honor those that served our Country . Thank you.
