During the Thanksgiving season, when we traditionally take time to give thanks, I write to you today to express my personal gratitude. I want to start by thanking our parents and guardians for supporting our schools, and for sending us your beautiful children.

Thank you to those who engage through strong community service and partnerships. Your support for our District and our schools bring opportunities that take us beyond our means. Already this school year, I have seen a continuous demonstration of time, energy, and generosity from our families.

Thank you to our educators and support staff for the commitment that you make every day to the students in our District. I thank you for your dedication to educational and organizational excellence. I thank you for striving to meet every expectation that we've set for our District. Thank you for your ongoing dedication and commitment to our amazing students.

Finally, I am extremely thankful for being a part of the Sulphur Springs Community. On behalf of the Board of Trustees and Administration, we wish everyone a very Happy Thanksgiving.

Best wishes always, thank you.

Please note that there will not be a Friday message sent out on November 26th.
