

Friday Update, November 5, 2021

Good evening, Sulphur Springs Union School District Families. This is Dr. Catherine Kawaguchi, your Superintendent with a Friday Update, November 5, 2021.

I would like to thank all of our staff and families that contributed food for our Holiday Food Drive. Your support helps us continue to support our families that need some assistance during this time of the year. You are making a difference in the lives of several of our families, and it is greatly appreciated.

Last Monday, November 1st, our educators participated in Staff Development. Our Teachers and Administrators had the opportunity to receive additional training to support the new Science materials that we received for our students. In addition, our staff continued to learn effective teaching strategies using their California State approved curriculum to assist their students with mastering grade level standards. Also, several of our educators who are support providers continued to develop their skills and knowledge by receiving training in their field of expertise. Thank you for supporting our educators last Monday while they continued to develop their skills to support your child in their learning.

Reminder: **Thursday, November 11th** schools are closed to honor our Veterans. We thank all members of our Military in all branches, past and present, for their service and sacrifices. We are forever grateful!

Wishing you and your family a wonderful weekend. Don't forget to set your clocks back one hour, Sunday 2:00 AM. Thank you.
