

**Friday Update, October 22, 2021**

Good evening, Sulphur Springs Union School District Families. This is Dr. Catherine Kawaguchi, your Superintendent with a Friday Update, October 22, 2021.

As a reminder, during this time of the year, we want to continue to remember the importance of family and supporting each other. Our District will be holding a Food Drive starting Monday, October 25<sup>th</sup> to November 5<sup>th</sup>. If you are able to support the Food Drive, you can drop off the requested food items at the District Office or your child’s school during school hours. Please see the attachment to this email for a list of the food items that are needed to support our families.

This year’s 6<sup>th</sup> annual **Many Families One Community Family Resource Fair** will be held virtually on February 9<sup>th</sup> between the hours of 9:00 AM to 5:00 PM. There is no cost to families or staff to attend the Virtual Fair which will feature presentations centered on academics and wellness. We are very excited to be able to bring this invaluable resource to our families since we have

over 30 staff members from our District as well as William S. Hart and community partners from our Santa Clarita Valley presenting on a variety of topics. More information to come soon!

As a reminder to our families, please know that our District does not allow students to wear Halloween costumes to school. The Principals will be sending out information about what their school will be doing to support school spirit. It is very important that all children are able to participate in all school activities and are not excluded. Thank you again for your support.

Please mark your calendars! On **November 1<sup>st</sup>** students do not attend school. This is a pupil free day so that our teachers can participate in professional development to further support our students.

Wishing you and your family a wonderful weekend. Thank you.
