

Friday Update, July 8, 2022

Good evening, Sulphur Springs Families. This is Dr. Catherine Kawaguchi, your Superintendent with a Friday Update, July 8, 2022.

I want to start by welcoming our new Sulphur Springs Union School District families that have just enrolled in our District for the 22/23 school year. Since March of 2020, I have provided families a **Friday Update** to support with communication between the District and home to keep families up-to-date on any important information that may be occurring in our District and/or in our community. If you would like to see the past Friday Updates, please go to the [District's Homepage](#). Please enjoy reading the Friday Update for July 8th.

We are sharing a copy of the 2022-2023 school calendar with you. Please note that Wednesdays are early dismissal days for all schools so that teachers and administrators can collaborate together and plan for your child's instructional programs. Please see the attachment to this email for the school calendar.

We are pleased to share with you that we will be holding in-person Back-to-School Night for the 2022-2023 school year on two separate days. This is an opportunity for you to meet your child’s teacher and visit the classroom. Please refer to the times and dates below for your child’s Back-to-School night information. Your child’s Principal will send you additional information regarding Back-to-School Night in August.

Scholars@Home Online Independent Study Program

Please know that if you are planning on enrolling your child in the Scholars@Home Independent Study Online Program for the 22/23 school year, you will need to complete an Intra-District Transfer Form. Once the form is completed, please return the form to your nearest school's front office, District Office, or email it to pupilservices@sssd.k12.ca.us. If you need information regarding the Scholars@Home Independent Study Online Program, you can go to the following link [District Home Page](#) for additional information.

If your child is currently enrolled in the Scholars@Home Independent Study Program and **now wish to have your child attend in-person instruction for the 22/23 school year**, please contact the Pupil Services Department at 661-252-5131 or email at pupilservices@sssd.k12.ca.us.

If your child was enrolled in Scholars@Home and **you want your child to continue in the Program for the 22/23 school year**, you do not need to complete any forms. Your child will continue in the Program for the 22/23 school year.

Please also remember that if your child has an IEP, and you would like him/her to be enrolled in the Scholars@Home Online Independent Study program, you will need to request an IEP meeting from your child's school principal. If the IEP team determines that your child's IEP can be implemented with your child enrolled in the Scholars@Home program, you will need to also file a transfer request. If you have any additional questions, please contact spedsupport@sssd.k12.ca.us.
