Many Families One Community Family Resource Fair

We had a very successful *Many Families One Community Family Resource Fair*. I want to thank all of our staff that supported this wonderful event, and thank our families that were able to attend. A special thank you goes out to Principal Sal Frias at Golden Valley High School for hosting, and thank you to Principal Heather Drew at Leona Cox for her leadership with the Kids' Program. We are looking forward to continuing to partner with William S. Hart Union High School District to bring this event to you in the coming years.

Thank you, families for attending our Open House last night. We have amazing teachers that put in a lot of time to prepare for this very special night for your family. I want to thank our teachers and staff for all that they did to prepare for Open House, and thank them for their commitment and dedication to ensuring that our students receive an outstanding education.

Wishing you and your family a wonderful weekend. Thank you.
