### **Report Cards for Students:**

Your child's report card for the end-of-year can be accessed in the Aeries Parent Portal on **Thursday, June 8<sup>th</sup>**. If you need any support with accessing your child's [Aeries Parent Portal](#), please contact your child's school office and/or the District office at 661-252-5131. If your child is enrolled in the Scholars@Home Program, and you need assistance, please contact the Mint Canyon Community School at 661-252-2570.

### **School Bus Transportation Applications for the** **2023-2024 School Year**

The Sulphur Springs Union School District is able to provide bus transportation to and from school for a limited number of students. Transportation applications are

being accepted **NOW** for the 2023-2024 school year. The Transportation Department will do their best to accommodate students riding the bus that wish to ride. However, please know that turning in your application does not guarantee your child a seat on a bus. Students who are not placed on routes will be placed on a waitlist. Students will be added to bus routes based on eligibility and space.

In order for students to ride the school bus at the start of the school year, bus applications **MUST** be submitted no later than July 28, 2023. Applications are available online, located on the District [website](#). If a parent needs a printed application, please go to the school office and/or the District Office located at 27000 Weyerhaeuser Way. It is important to remember that any child that is riding a school bus, must have an application on file ***prior to boarding***.

**Important to remember:** All applications must be submitted to the Sulphur Springs Union School District Transportation Department **before July 28, 2023**. Applications received after July 28th will be placed on a waitlist and transportation **cannot be guaranteed** at the start of the school year.

The District's Transportation Safety Plan can be found on the District's [website](#). Buses will have active video monitoring enabled. The use of video monitoring will support the safety of students and drivers and prevent vandalism, and may be used to monitor student behavior.

For specific information on bus schedules and bus routes, contact the Transportation Office at (661) 252-3822.

## **Important: Requesting Input from Parents**

*Does your child have an IEP and receive Special Education services? If so, please click the [link](#) to provide feedback through a very brief parent survey (available in multiple languages). This survey will assist the Sulphur Springs Union School District in our efforts to improve services and results for children and families. You can either complete the survey online, or you can also print out and complete the survey by hand and return it to your child's school. **We ask that you complete this brief survey no later than June 11th.***

*Please do not include your name or your child's name, as this parent input survey is anonymous. If you have any questions about the survey, you can email the Special Education department at [spedsupport@sssd.k12.ca.us](mailto:spedsupport@sssd.k12.ca.us)*

*Thank you for helping us improve services and results for our students and families!*
