School Bus Transportation Applications for the **2023-2024 School Year**

The Sulphur Springs Union School District is able to provide bus transportation to and from school for a limited number of students. Transportation applications are being accepted **NOW** for the 2023-2024 school year. The Transportation Department will do their best to accommodate students riding the bus that wish to ride. However, please know that turning in your application does not guarantee your child a seat on a bus. Students who are not placed on routes will be placed on a waitlist. Students will be added to bus routes based on eligibility and space.

In order for students to ride the school bus at the start of the school year, bus applications **MUST** be submitted no later than July 28, 2023. Applications are available online, located on the District [website](#). If a parent needs a printed application, please go to the school office and/or the District Office located at 27000 Weyerhaeuser Way. It is important to remember that any child that is riding a school bus, must have an application on file **prior to boarding**.

Important to remember: All applications must be submitted to the Sulphur Springs Union School District Transportation Department **before July 28, 2023**. Applications received after July 28th will be placed on a waitlist and transportation **cannot be guaranteed** at the start of the school year.

The District's Transportation Safety Plan can be found on the District's [website](#). Buses will have active video monitoring enabled. The use of video monitoring will support the safety of students and drivers and prevent vandalism, and may be used to monitor student behavior.

For specific information on bus schedules and bus routes, contact the Transportation Office at (661) 252-3822.

Please note, ***there will not be a Friday Update on July 7th***. Wishing you and your family a wonderful weekend. Thank you.
