

Friday Update, August 26, 2022

Good evening Sulphur Springs Union School District Families. This is Dr. Catherine Kawaguchi, your Superintendent with a Friday Update, August 26, 2022.

Families, I want take a moment and thank our teachers, administrators, and support staff for all of the hard work they did to prepare our schools for Back-to-School Night this past week. Our children are being educated in beautiful and engaging classrooms, and I know that our staff put in a lot of hard work to welcome each of our families to their schools.

I want to also thank all of our families and students that attended Back-to-School Night. It was very exciting to see everyone together and happy to be back on school campuses. We are extremely fortunate to be able to partner with amazing families to continue to support all of our students. Our staff is really looking forward to a fantastic school year together!

We are excited to offer an after-school choir class for **4th - 6th grade students** at all 9 school sites within the District. Students will have the opportunity to develop and refine their vocal skills, and build relationships with peers in a fun and playful environment. This is a **free program** for our students, and space is **limited**, so sign up as soon as possible for this great opportunity! Please note that transportation will not be provided. To register, please go online at www.ccminds.com. Please see the attached flyers to this ParentSquare email for additional information and dates for each of the schools.
