Paver Project

In addition to a lot of the great activities taking place at the Celebration, we also have an opportunity for you to leave a memory forever at Sulphur Springs Community School, where it all started in 1972. You can leave a memory by purchasing a brick paver that will be placed at the school grounds of Sulphur Springs Community School. The pavers are available for purchase online and in-person at the event!

Cost: 2 lines \$40.00
3 lines \$45.00

I want to thank the District's **CLASS Education Foundation** that is supporting us with this project. The proceeds from this project will be donated to the District to place the pavers and provide funding to all 9 schools in the areas of creativity, innovation, and wellness. Please go to the **CLASS Education Foundation** website to purchase your paver today! Please see the directions on how to purchase the paver attached to this email.
