

Friday Update, September 30, 2022

Good evening Sulphur Springs Union School District Families. This is Dr. Catherine Kawaguchi, your Superintendent with a Friday Update, September 30, 2022.

I want to take a moment and thank all of our families for taking the time to meet with our amazing teachers during Goal Setting conferences. Please know that our teachers are here to support your child in meeting their goals. If you need support and/or have questions about your child's progress, please continue to reach out to us. You can always send a message through ParentSquare with any questions that you may have and our teachers will get back to you.

Last week in the Friday Update, I sent you information about fentanyl from the California Department of Public Health. I will continue to send you important

information about this overdose crisis. Even though this may be occurring with older students and adults, it is important that we are all aware of the concerns around fentanyl. Please see the attachments to this ParentSquare email.

Sulphur Springs Union School District Celebrating 150 Years of Educating Students!

SAVE THE DATE!

As a reminder, **ALL families** are welcome to attend the celebration of our District educating students for 150 years! Please mark your calendar for:

Saturday, October 22, 2022 from 10:00 AM to 2:00 PM
Location: Sulphur Springs Community School

At the celebration, we will be opening the event with our Board of Trustees, and there will be students and alumni singing on stage! We will also go back in time to 1872 with a message from Thomas Mitchell, whose family started a school in their home kitchen on the Mitchell Ranch property. We

will have **free** pioneer activities for children such as panning for gold, doll and rope making, and churning butter. There will be student performances from all of our nine schools. For additional information about this amazing celebration, please go to the [District website](#) and click on the home page, and you will see all of the history posted about our District.

Wishing you and your family a wonderful weekend. Thank you.
