

Friday Update, September 23, 2022

Good evening Sulphur Springs Union School District Families. This is Dr. Catherine Kawaguchi, your Superintendent with a Friday Update, September 23, 2022.

This is a reminder that you will have the opportunity to participate in Goal Setting Conferences with your child's teacher this coming week. We reserve this time, early in the school year, to begin building relationships with families and setting positive outcomes for our students. Please see the welcome letter [HERE](#) which describes the Goal Setting process and visit our website at www.sssd.k12.ca.us to view the grade level expectations for your child this year. If you have not received information from your teacher regarding setting up a meeting for Goal Setting Conferences, please contact your child's teacher.
