As we prepare for this holiday season, the Board of Trustees and I want to take a moment and express our deepest gratitude and appreciation to our students, families, and staff.

We are very thankful for our students. They bring a wonderful vibrancy to our school campuses. We are thankful for their intellectual curiosity, their school spirit, the way they help others, and how they step-up in leadership roles to make a difference at their schools. We greatly appreciate the diverse perspectives and backgrounds our students bring to our school community.

We are also grateful for all of our amazing school staff. We are proud that our staff not only teaches our students, but they also take the time to build relationships with our students and their families. Each of our staff members plays a key role in the life of a child, and we are so grateful for all their unwavering dedication and commitment that they have for our students. Our staff do amazing things to make differences in the lives of our students. We thank you.

We are grateful to our families – parents, grandparents, and guardians. Thank you for entrusting your most precious gifts – your children – to us for their education. Thank you for partnering with us to provide the best education to your child.

May your homes be filled with joy and happiness during this holiday season. Wishing you and your family a very Happy Thanksgiving.

Best Wishes Always, Dr. Kawaguchi, Superintendent.
