

Friday Update, September 1, 2023

Good evening, Sulphur Springs Families and staff, this is Dr. Catherine Kawaguchi, your Superintendent with a Friday update, September 1, 2023.

Students in grades 4 through 6:

In the Aeries Parent Portal, you can view two pieces of information regarding your child's performance in reading and mathematics alongside their results in the California Assessment of Student Performance and Progress (CAASPP) Score Report. Both Lexile and Quantile measures can be used to better understand how your child is doing in reading and mathematics, and to find resources and activities to support learning.

A **Lexile measure** indicates the difficulty of materials your child can read and understand. It is based on your child's ELA score.

A **Quantile measure** shows what mathematical skills your child has mastered and which skills they need additional instruction in. It is based on your child's mathematics score.

The report will include a link for you to access free tools and resources in reading and mathematics. You can use the tools to find “just right” books based on your child's Lexile measure and activities in mathematics tailored to your child's Quantile measure.

Visit the ***Lexile & Quantile Hub for Families*** web page at <https://hub.lexile.com/family> to find a wealth of free, family-friendly resources to support learning progress at home.

If you would like a printed copy of the Lexile and Quantile Measures Report, please email ipacias@sssd.k12.ca.us. These reports are only available for students currently in grades 4th -6th.

Is your child an English Learner?

You are invited to attend our
District English Language Advisory Committee
(DELAC) Meeting

¿Es su niño o niña un aprendiz de inglés?

Favor de acompañarnos para la reunión del Comité
Asesor del Distrito Para Aprendices de Inglés
(DELAC)

9:00 am Via Zoom

Sept. 5
