

Friday Update, September 15, 2023

Good evening, Sulphur Springs Families and staff, this is Dr. Catherine Kawaguchi, your Superintendent with a Friday update, September 15, 2023.

Parenting in the Digital Age

WILLIAM S. HART UNION HIGH SCHOOL DISTRICT
PRESENTS

PARENTING IN THE DIGITAL AGE

GUEST SPEAKER TOM KERSTING

We see it everywhere - kids connected to handheld devices and disconnected from the world around them. According to the latest research, the average thirteen-year-old spends eight hours per day, seven days a week glued to a screen. Yes this is problematic, but for every problem, there is a solution.

**MONDAY
SEPTEMBER 25
6 PM**

**HART HS
AUDITORIUM**
24825 N. NEWHALL AVE.

A real eye-opener, Mr. Kersting's lecture has proven to be helpful to parents with kids of all ages. The presentation is perfect for parents who want to be better informed on the subject and want useful strategies to create a balance with technology in their lives. Tom is a dynamic and personable speaker who connects with parents, honestly addressing their questions at the end of his talk.

During the months of September and October, all schools are focusing on supporting our students to be in school daily and on time. Please know that if your child is needing assistance with attendance, we have supports in place to assist the family. We thank you for partnering with us to support your child.
