

Friday Update, March 8, 2024

Good evening Sulphur Springs Families and staff, this is Dr. Catherine Kawaguchi, your Superintendent with your Friday update, March 8, 2024.

During this time of year, staff are beginning to draft the new Local Control and Accountability Plan for the 2024-2025 school year. To support staff with writing goals and actions in the plan, it is important that we hear from our families regarding the programs and opportunities offered to our students in the District. The survey is due by **Friday, March 22nd**. Please click on the link below to complete the survey. Your input and feedback are very valuable to us, and we look forward to continuing to partner with you to provide your child an excellent educational program.
