## **School Bus Transportation Applications for the** **2024-2025 School Year**

Bus Applications are still being **ACCEPTED!**

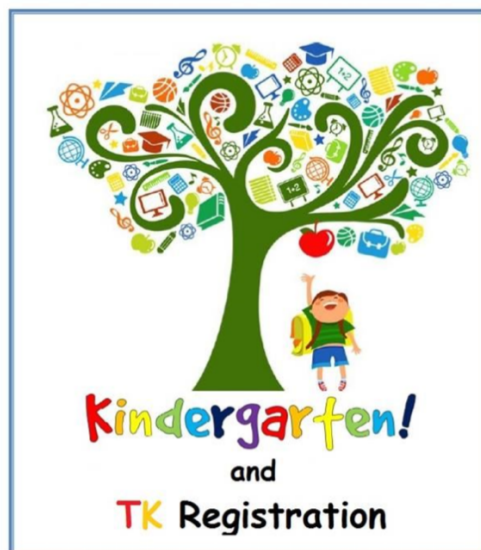

The Sulphur Springs Union School District is able to provide bus transportation to and from school for a limited number of students. Transportation applications for the 2024-2025 school year are **being accepted at this time**. The Transportation Department will do their best to accommodate students riding the bus that wish to ride. However, please know that turning in your application does not guarantee your child a seat on a bus. Students who are not placed on routes will be placed on a waitlist. Students will be added to bus routes based on eligibility and space.

In order for students to ride the school bus **at the start of the school year**, your child's bus application **MUST** be approved prior to boarding the bus. Applications are available online, please click [HERE](#) to access the applications. If a parent needs

a printed application, please go to the school office and/or the District Office located at 27000 Weyerhaeuser Way. It is important to remember that any child that is riding a school bus, must have an application on file ***prior to boarding***.

The District's Transportation Safety Plan can be found on the District's [website](#). Buses will have active video monitoring enabled. The use of video monitoring will support the safety of students and drivers and prevent vandalism, and may be used to monitor student behavior.

For specific information on bus schedules and bus routes, contact the Transportation Office at (661) 252-3822.

**Reminder: Registration TK and Kindergarten**

This is a reminder that the District is accepting registration for Transitional Kindergarten and Kindergarten for the [2024-2025 school year](#) at the District Office.
