

Friday Update, February 14, 2025

Good evening Sulphur Springs Union School District Families and Staff. This is Dr. Catherine Kawaguchi, your Superintendent with a Friday Update, February 14, 2025.

Local Control and Accountability Plan

The Local Control and Accountability Plan (LCAP) is a 3-year Plan built on the District's mission, vision, and goals for our students in grades transitional kindergarten to 6th grade. Together, these guide the overall direction for the District's programs and operations.

Educational Partner feedback and input is sought on an annual basis. Parents and District staff partner together to review the progress toward the District's goals. We examine data and gather feedback from students, families, staff, and community. Reviewing the goals and actions guides decisions about actions and services that will be implemented on behalf of students, as well as, the cost for those actions and services.

The District will be holding Educational Partner Feedback for Parents/Guardians to attend. These meetings will be held via Zoom. Please click on the [link](#) to access the Zoom links.

Please see the meetings dates below:

LOCAL CONTROL ACCOUNTABILITY PLAN (LCAP)

The LCAP is an important component of the LCFF (Local Control Funding Formula) which is California's approach to funding public schools by streamlining the system and giving school districts more flexibility in how they spend their resources to promote student achievement. The LCAP describes how school districts intend to meet annual goals for all pupils, with specific activities to address state and local priorities.
