

Friday Update, July 19, 2024

Good evening, Sulphur Springs Families and staff, this is Dr. Catherine Kawaguchi, your Superintendent with your Friday update, July 19, 2024.

CLASS Education Foundation Sulphur Springs Union School District

The CLASS Education Foundation supports our District students by:

- providing financial and community resources to support students of the Sulphur Springs Union School District to enhance and promote educational excellence, equity, and enrichment.

One of the priority areas for the CLASS Education Foundation is to focus on [CREATIVITY](#) to enhance learning and enrichment for our students. The Foundation Board Members are excited to bring an opportunity to our families that supports in this area.

- [On Friday, July 26, 2024 at 3pm](#), families can join the Foundation Members for some online [Drummin'-in-the-Summer fun](#) with **REMO Drum Company**.
- Mike DeMenno from REMO will facilitate an online 50-minute interactive creative rhythm and music session where you get to drum, sing, and dance (if you want to). What makes this activity even better is, no drum or musical experience is required.

- To support your child with this free online experience, you can just look around the house for "found sounds," use your imagination!
 - For Example:
 - Putting beans or rice in an empty water bottler makes for a nice shaker.
 - A box, an old book, or a plastic storage container can make for a drum. If nothing else, you can clap along, or feel free to just relax and listen.
 - Mike is your guide to take you on a path of discovery and adventure through music and rhythm.

This free online event is open for all students of the Sulphur Springs Union School District. To get the Zoom link for the event, please register your child by clicking on the: [LINK](#)

Please call us at 661-252-5131 and ask for Mrs. Michanne Dempsey if you need any assistance.
