

Friday Update, March 7, 2025

Good evening Sulphur Springs Union School District Families and Staff. This is Dr. Catherine Kawaguchi, your Superintendent with a Friday Update, March 7, 2025.

During this time of year, staff are beginning to draft the District's Local Control and Accountability Plan for the 2025-2026 school year. To support staff with writing goals and actions in the plan, it is important that we hear from our families regarding the programs and opportunities offered to our students in the District. The survey is due by **Friday, March 28th**. Please click on the link below to complete the survey. Your input and feedback are very valuable to us, and we look forward to continuing to partner with you to provide your child an excellent educational program.
