

## Friday Update, May 2, 2025

Good evening, Sulphur Springs Union School District Families and Staff. This is Dr. Catherine Kawaguchi, your Superintendent with a Friday Update, May 2, 2025.

Dear Families,

During the month of May, we take time to celebrate our Certificated and Classified Staff Members, and thank them for all that they do to support our students and families.

The California Day of the Teacher is observed on May 14, 2025, and provides a dedicated opportunity to formally acknowledge and celebrate the exceptional contributions of the teachers in the Sulphur Springs Union School District. These dedicated professionals play a pivotal role in shaping the lives of our students, fostering their academic growth, and nurturing their social and emotional well-being. Recognizing their hard work and commitment is essential to demonstrating the value the District places on their expertise and their positive impact on our entire school community.

Classified employees are the backbone of the Sulphur Springs Union School District, providing essential support that directly impacts the

learning environment and the well-being of the District's students and staff. Their dedication in areas such as administrative support, technology, transportation, food services, maintenance, and paraprofessional roles, to name a few, ensures the smooth and efficient operation of all nine schools and the District Office. Celebrating Classified Employee Week provides a dedicated opportunity to formally acknowledge and express our sincere gratitude for their invaluable contributions, which are absolutely critical to the District's success.

Thank you, Certificated and Classified Staff Members, for your commitment and dedication to the District! You are all very important to our students and their families, and our students are so fortunate to have each of you supporting and enhancing their educational program.

## **LCAP Educational Partner Meetings**
