

Friday Update, October 25, 2024

Good evening, Sulphur Springs Families and staff, this is Dr. Catherine Kawaguchi, your Superintendent with a Friday update, October 25, 2024.

Halloween Costumes

Please know that our District does not allow students to wear Halloween costumes to school. Your child's Principal will be sending out information about what their school will be doing to support school spirit on Thursday, October 31st. It is very important that all children are able to participate in all school activities and are not excluded. Thank you again for your support.

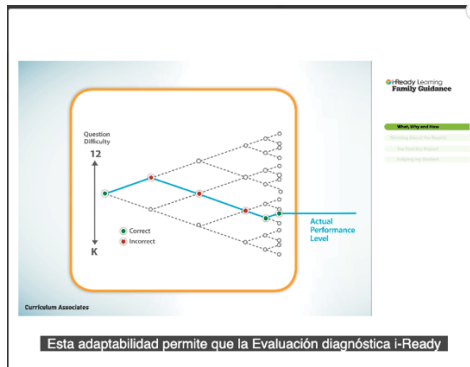

iReady Diagnostic Assessment

All Kindergarten through 6th grade students take the iReady diagnostic test at the beginning of the school year. The purpose of the iReady diagnostic is not to give your student a grade, but instead to determine how best to support their learning. It will help your student's teacher to determine their needs, personalize their learning, and monitor their progress throughout the year.

If you would like more information about the Diagnostic Assessments, please watch this short video by clicking [here](#).

If you would like to see the video with Spanish Captions, please click on the **CC** at the bottom of the screen.
