

## **Friday Update, September 27, 2024**

Good evening, Sulphur Springs Families and staff, this is Dr. Catherine Kawaguchi, your Superintendent with a Friday update, September 27, 2024.

Dear Families,

Thank you so much for attending Goal Setting conferences this past week. Your involvement in your child's education is invaluable, and we appreciate you taking the time to discuss your child's goals for this coming year.

Also, I want to express my sincere gratitude to our teachers for all of their hard work, and dedication in preparing for the Goal Setting Conferences. We know that our teachers took the time to provide our families important information about their child's academic and social/emotional development. Our teachers are truly inspiring, and we greatly appreciate their support and dedication to our children's growth.

Families, we hope that the Goal Setting Conferences provided you with valuable insights and information. We are committed to working together to ensure your child's success and well-being.

I look forward to holding ***Coffee with the Superintendent*** meetings at all 9 schools during the months of September and October. All meetings will be in English and Spanish. At the meetings, I will be sharing information about what is occurring in our District, and supports that are taking place in our schools to assist your child, both in academics and social/emotional wellness. Looking forward to seeing you soon.

# Coffee with the Superintendent

*It will be held in English and Spanish.*

*Se llevará a cabo en inglés y español.*
