

Friday Update, August 7, 2020

Good evening Sulphur Springs Families, this is Dr. Catherine Kawaguchi your Superintendent with your Friday Update, August 7, 2020.

As a reminder, our school year begins Thursday, August 13th for all students. All families should have received or have a date scheduled to receive your child's instructional supplies to start off the school year. If you were unable to pick-up your child's supplies or need a digital device, please watch for an email and/or phone message from your Principal who will let you know when to come to the school site to pick up these items.

On Monday, August 10th, families will be able to see the name of their child's teacher by logging onto the Parent Portal. If you do not remember your password to the Portal, please click on 'forgot password' and you will be able to reset your password.

If you selected the AM/PM or the Learning@Home Program, your child has been placed in that Program. As a reminder again, all students are starting the year online. Once school districts are allowed to return to school campuses for instruction, then the students in the AM/PM Program will return to campus, and the students in the Learning@Home will remain online with their teacher.

If you are wanting to change your Program selection for your child, please contact your school and speak to the office staff or the Principal. All changes will not occur until after Tuesday, August 11th. We are working as fast as we can to accommodate your family's need, and we appreciate everyone being patient as we work through the requests.

If your child attends a self-contained special day class, the Special Education department has already informed you about your child's teacher and Instructional Program. Additional communication will be sent out to families in regards to Online Learning. If you have any questions, please call the Special Education Office at 661-252-5131 or email spedsupport@sssd.k12.ca.us.

Please note that all schools will be providing, breakfast and lunch, Monday through Friday, 10:30 AM to 12:30 PM. Service will be drive through and walk-ups will also be allowed.

Families needing information about daycare programs, please contact Sunshine Daycare at 661-254-2687 and YMCA 661-253-3593.

We are looking forward to starting school on Thursday, August 13th. Wishing you a wonderful weekend with your family. Thank you.
