

Friday Update, July 24, 2020

Good evening Sulphur Springs Families, this is Dr. Catherine Kawaguchi your Superintendent with your Friday Update, July 24, 2020.

The Board of Trustees held a Special Board Meeting on Monday, July 20th at 7:00PM to discuss our District's plan to reopen on August 13th. If you missed the Board meeting and would like to view it, please go to the District's website and click on 'Fall Planning Live Stream on YouTube' under the What's New tab.

Also, this is a reminder, we need all families to select which Instructional Program they want their child to be in for the 2020-21 school year, either AM/PM or Learning@Home. We know that every child will start with the Online Learning from home due to the directive from the Governor, however, once school districts are allowed to have students attend physically on school campuses, your child will be in the Instructional Program that you selected. If you selected an Instructional Program and you want to change your child to a different Program, you will need to contact the District Office at 661-252-5131 and speak to Kim Grim or Imelda Saavedra. You can also email us at kgrim@sssd.k12.ca.us. Please include your name, your child's name and grade, and a phone number to contact you if we have any questions.

We are continuing to prepare for the opening of our schools, and additional information will be coming to you next week about instructional material and device distribution to support the Online Learning from home. Please know that our District is here to support our families, and we thank you for your support and patience. Wishing you a wonderful weekend with your family.
