

Friday Update June 12, 2020

Dear Sulphur Springs Families,

This is Dr. Catherine Kawaguchi, Superintendent, with your Friday Update, June 12, 2020.

I want to thank all of the families that joined us for the Fall Planning Meeting this past week. If you were unable to view the Meeting, please refer to the District website where it is posted in English and Spanish.

As we prepare to reopen our schools for the fall, the Instructional and Safety Task Forces will continue to discuss different options to support our students. We feel that it is important to be prepared with multiple Instructional Models, while keeping health and safety as a number one priority, so that we are ready to reopen this fall.

We want to thank our families that have submitted questions regarding the reopening of our schools. We are putting together an informational page for families to refer to regarding the different instructional models that we are exploring. This information will be in English and Spanish.

I want to provide you an update regarding our Summer Feeding Program, sponsored by the Santa Clarita Valley School Food Services Agency, School Day Café. The Summer Feeding Program is changing its schedule and location starting June 15th. No longer will food be distributed at Mitchel Community School. In our District, Canyon Springs Community School, located at 19059 Vicci Street, will be providing food to any children between the ages of 1 year and 18 years of age from 9:00AM to 10:00AM. Breakfast and Lunch will be packaged together with home heating instructions. It is important that our families please wear a cloth face covering when picking up the meals for your protection and the staff. Please note that there are additional sites throughout Santa Clarita Valley where families may pick up their food. These additional sites will be on our District website.

I thank you for your partnership and commitment to our amazing students this past year. Please know that I will continue to provide families a Friday Update throughout the summer months. Wishing you a wonderful weekend. Thank you.
