

Friday Update June 5, 2020

Dear Sulphur Springs Families,

This is Dr. Catherine Kawaguchi, Superintendent, with your Friday Update, June 5, 2020.

We have a number of important events taking place next week. On Tuesday, June 9th at 6:00 PM, families will have an opportunity to watch a Fall Planning Presentation on Zoom. Dr. Jezelle Fullwood, Dr. Joshua Randall, and myself will be presenting information to families about possible instructional models that we are preparing for the re-opening of our schools in the fall. Districts in California are still waiting on Centers for Disease Control and Prevention as well as Public Health to release protocols indicating the way in which schools will be allowed to re-open in the fall. As a District, we feel that it is important to be prepared with multiple Instructional Models, while keeping health and safety as a number one priority. Please remember that during the presentation, we will not be taking questions. I am asking families to submit their questions ahead of time at fallplanning@sssd.k12.ca.us so that we can try to incorporate the answers in the presentation. Please visit the District website at www.sssd.k12.ca.us on the home page to access the YouTube link for the meeting.

As a reminder, on June 10th and June 11th, any families that have borrowed a Chromebook and/or an iPad will need to return it to the District Office, 27000 Weyerhaeuser Way, between 8:00 AM and 4:00 PM. Please remember to bring the charging cord with the device. If you know that the device got damaged while being at home, we will have staff present to discuss ways to assist you with next steps.

I want to take a moment and thank you so much for your partnership this past year. We have had a lot of successes and challenges, and I know that we have continued to grow stronger as a family. Always know that no matter what Instructional Model we re-open up with in the fall, the District staff is here to support your child to excel academically and socially.

It has been a true honor to serve as your Superintendent, and I thank you for your partnership and commitment to our amazing students. Wishing you a wonderful weekend.
