

**Friday Update, July 17, 2020**

Good evening Sulphur Springs Families, this is Dr. Catherine Kawaguchi, your Superintendent with your Friday Update, July 17, 2020.

Many of you are aware that the Governor spoke today at 12:00PM announcing that schools that are in the counties that are being monitored due to high numbers of positive cases of COVID-19 will start school online for all students in the fall. Los Angeles County is on the monitoring list and our District is in LA County.

The Board of Trustees will be holding a Special Board Meeting on Monday, July 20<sup>th</sup> at 7:00PM to discuss our District's plan to reopen on August 13<sup>th</sup>. If you would like to view the Board meeting, please go to the District's website and click on Special Governing Board Meeting under the Upcoming Events tab.

Please know that our District is here to support our families, and we know that the news from the Governor today may be very upsetting from some. We are committed to providing our children a rigorous education in the fall, and we want you to know that we have an amazing staff of teachers, administrators and support staff ready to educate your child. Thank you for your support and patience, and we look forward to working with you.
