BUS DRIVER TRAINER

DEFINITION

Under general supervision, to provide classroom, behind-the-wheel and continuing training to Bus Drivers and driver trainees; to administer driving performance tests; to maintain official District bus driver training records; to perform the full range of duties of a Bus Driver; and to perform related work as required.

CLASS CHARACTERISTICS

Positions in this class have as an assignment scheduling and conducting the training of new and current bus driving personnel. Bus Driver Trainer also performs the full range of duties of a school bus driver. The Bus Driver Trainer has responsibility to insure that the District's school bus drivers are qualified under law and properly licensed and certified to drive the assigned vehicle.

EXAMPLES OF DUTIES

The tasks listed in this section are representative of duties assigned to positions in this class. This list is not intended to be an exhaustive list of all of the tasks assigned to positions in the class, and it is not expected that all of the tasks listed are necessarily assigned to all positions in the class.

Schedule and conduct driver training for school bus drivers and trainees, which includes classroom and behind-the-wheel training in pertinent provisions of the vehicle and education codes, efficient vehicle operation, first aid, and safety; conduct meetings of drivers to discuss matters related to safety and bus operation; schedule bus driver examinations.

Maintain training records for licensed drivers and trainees in accordance with state continuing education and training regulations; monitor records of each driver to ensure that State and District training and retraining standards are met.

Answer questions from the public; perform a variety of specialized transportation-related administrative support work such as scheduling and conducting bus evacuation training and making presentations to parents and students.

Drive a bus over designated rural, urban and suburban routes in accordance with time schedules, picking up and/or discharging students, stopping traffic as necessary to escort students safely across streets; assist special needs students on and off bus and with restraints; operate wheelchair lift; maintain good order among students on the buses, following strict policies regarding the issuance of citations and disciplining of students; discuss student discipline problems with school administrators and parents; communicate with parents of special education students to discuss special needs and pick-up/drop-off times; transport students, faculty and parents on field trips to special events, meeting departure and arrival times as scheduled.

Use maps to determine best routes to special events.

Operate a two-way radio.

Complete periodic reports on mileage traveled, citations issued, accidents, and number of students transported; maintain route files; complete daily check-out sheet and trip sheets. Perform daily safety inspection of vehicles; fuel vehicles; maintain buses in a clean condition; wash buses, keep records of the operation of assigned vehicles as required by the district.

Provide bus evacuation training to students and teachers.

Administer first aid to students, as needed.

Serve on assigned committees and teams.

Participate in District mandated training and retraining programs.

Perform related work as required.

LICENSE REQUIRED

Possession of a valid and appropriate California Driver's License.

Successful completion of the Driving and First Aid examinations for school bus drivers given by the California Highway Patrol.

Certificate of physical/medical examination.

Possession of a valid unrestricted California School Bus Driver's Certificate.

Acceptance into the California State Department of Education Bus Driver Instructor course must be obtained prior to appointment.

Possession of a valid unrestricted California State Department of Education Bus Driver Instructor Certificate required prior to completion of probationary period.

QUALIFICATIONS

Knowledge of:

Provisions of the California Motor Vehicle Code, the Education Code, and District regulations applicable to the operation of vehicles in the transportation of students and the operation of District school buses and vehicles.

The school district and surrounding area.

Operation of school busses and vehicles.

Basic first aid.

Basic bus maintenance procedures.

Appropriate safety precautions and procedures.

Training requirements for school bus driver licensing.

General principles of training.

Basic mathematics.

English usage, grammar and spelling.

Routine record keeping and report preparation practices.

Ability to:

Speak clearly before groups.

Prepare and present well structured lessons.

Manage group participation effectively.

Develop effective learning materials.

Write in English using proper word usage and grammar.

Make accurate mathematical calculations.
