

School Accountability Report Card

Reported for the 2009-10 School Year

Published During 2010-11

Pinetree Community Elementary

The School Accountability Report Card (SARC), which is required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available on the SARC Web page at www.cde.ca.gov/ta/ac/sa/. For additional information about the school, parents and community members should contact the school principal or the district office.

I. School Information

Contact Information (2010-11 School Year)

This section provides the school's contact information.

School		District

Principal's Message (2009-10 School Year)

This section provides information about the school, its programs and its goals.

Pinetree Community School Mission Statement

Pinetree Community School students will be proficient or advanced in essential state content level standards. They will acquire life skills and positive behaviors to become successful human beings. Student learning is a shared responsibility that involves parents, teachers, classified staff, and students. Grade level collaboration and analysis of common assessments drives instruction for enrichment and intervention. Pinetree Community School is located in a middle class, suburban area in the northern end of the Santa Clarita Valley. Our campus is in a residential area and serves a growing, mixed socioeconomic population who live in both single and multiple family dwellings.

Pinetree Community School opened in 1988. We had the honor of being named a California Distinguished School in 1993 and yet again in 2004. We currently educate approximately 675 students in grades K-6. Our ethnic population is mostly white with a sub group of Hispanic. Our limited English students make up about 10% of our student population and benefit from our daily English Language Development instruction. Our GATE students represent about 5% of our student body. Approximately 22% of our total school population is socio-economically disadvantaged. Special Education services offered at Pinetree include two full-time Special Day

School Accountability Report Card

Reported for the 2009-10 School Year

Published During 2010-11

Classes inclusive of grades 1 through 6, a full time Resource Specialist teacher, an 80% Speech and Language Specialist, (shared position) and a school counselor is on our campus one day a week.

PINETREE MISSION STATEMENT

Pinetree Community School students will be proficient in essential state standards. They will acquire life skills and positive behaviors to become successful human beings. Student learning is a shared responsibility that involves parents, teachers, classified staff, and students. Grade level collaboration and analysis of common assessments drives instruction for enrichment and intervention.

A large part, our success can be contributed to the excellence of our experienced teaching staff. Many of our teachers have dedicated their years teaching only at Pinetree Community School. This year we have begun the process of building a Professional Learning Community (PLC) at Pinetree. An advisory committee was created, Pinetree Academic Collaboration Team, to help determine school/teacher needs necessary to achieve PLC goals. Our PLC operates on four essential questions: 1) what do we want students to learn? 2) How will we know when they have learned it? 3) What will we do when they have learned it? 4) What will we do when they don't? Grade level teams use SMART goals to monitor their objectives, to identify strategies and action steps, to delineate responsibility, and to establish the timeline necessary to meet the objective.

Overarching goals for the 2009-2010 school year include increasing English Language Arts proficiency and Math skills.

Additional goals that support the overarching goals include:

- providing students with challenging and interesting learning in accordance with California State Standards and Sulphur Springs School District guidelines
- using a variety of teaching strategies, techniques, and technology to meet the needs of diverse learners
- promoting continued educational growth for students, parents and staff
- promoting a safe and orderly learning environment
- creating and maintaining positive, effective communication between home, school, and the community.

This year we have begun a dedicated reading instructional block called PACT - Pinetree Accelerated Curriculum Time. Students are grouped according to their instructional level and receive 50-60 minutes of focused language arts lessons each day by a designated teacher on the grade level team. PACT provides students with differentiated instruction and flexible grouping to ensure that students are appropriately placed. PACT supports the District's goals to raise reading comprehension scores and meet the needs of all students from advanced to far below basic.

Pinetree teachers receive a 45 minute grade level release during the regular school day called PE PACT time. A credentialed teacher and instructional assistant instruct students from an entire grade level on physical education standards. This gives the teachers a dedicated amount of time to collaborate, plan, and monitor student progress.

Our school believes that technology needs to be integrated into our students' education whenever possible. As a result, there will be a push to acquire Smart boards and document cameras for all teachers over the next few years. Currently there are 4 Smart boards in teacher's classrooms. The Computer Lab has a Smartboard and 34 computers. The Science Lab has a Smartboard and document camera. Each classroom is equipped with at least one networked computer, has tv/vcr access, and is wired for cable. Additionally, the Pioneer Television Network (closed circuit television broadcast) was created in the 2004-2005 school year. Morning announcements are broadcasted daily to the entire school via this network. A computer lab with 34 computers and a computer resource area within our library media center are other ways students are introduced and involved with technology. All students participate in the Accelerated Reader Program. A majority of our library books have accompanying Accelerated Reader tests to go with them. Our school's personalized home page on the Internet enables students, parents and community members to keep informed of school happenings,

Published During 2010-11

and communicate with staff through E-mail. We also utilize the Blackboard Connect System. Weekly electronic phone messages enable us to communicate quickly with parents on a school-wide scale.

Parents are an integral part of the school community. The PTA devotes many volunteer hours to support our academic program. Additionally, they provide funds, which support programs such as music, physical education, and art as well as technology, disaster preparedness, and other site needs.

Parental Involvement (2009-10 School Year)

This section provides information about opportunities for parents to become involved with school activities.

Contact Person Name:	JoAnn Yerem	Contact Person Phone Number:	661-298-2280
-----------------------------	-------------	-------------------------------------	--------------

Classroom teachers provide opportunities for parents to support the instructional program through presentations, working with small groups or individual students, or providing time to prepare materials. Additionally, Pinetree has a very active PTA. Parents can become involved in supporting the school by joining the PTA and participating in PTA sponsored events. Some the annual events are the Harvest Festival, Book Fairs, Celebrations Around The World, Parent/Student Dances, Movie Nights, and the Tri - R - Athon.

Average Class Size and Class Size Distribution (Elementary)

This table displays by grade level the average class size and the number of classrooms that fall into each size category (a range of total students per classroom).

Grade Level	2007-08				2008-09				2009-10			
	Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms

II. School Safety and Facilities

School Safety Plan (2009-10)

This section provides information about the school's comprehensive safety plan.

Date School Safety Plan last reviewed:	March 2010
---	------------

Every student and staff member has the right to attend a safe school where he or she is free from physical or psychological harm. The School Safety Plan includes:

- School Handbook
- School Safety Plan
- Character Education
- School Suspension Guidelines
- District/Community Resources For Students and Parents
- Annual Staff Harassment Training
- Triannual Student Behavior Assemblies

Suspensions & Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

	School			District		
	2007-08	2008-09	2009-10	2007-08	2008-09	2009-10
Suspension Rate	2.0%	2.0%	3.0%	3.0%	5.0%	2.0%
Expulsion Rate	0.0%	0.0%	0.0%	0.0%	0.0%	0.0%

School Facility Conditions

This section provides information about the condition of the school's grounds, buildings, and restrooms, and a description of any planned or recently completed facility improvements.

Pinetree Community School was built in 1988 and therefore is 20 years old. The school has two main "pod" buildings with central instructional space as well as 16 portable classrooms. All classrooms have access to the Internet and close-circuit cable television. All classrooms and the cafeteria have air conditioning and forced air heat. There are restrooms located in the upper grade wing, the kindergarten classroom area and the primary grade wing. Restrooms are cleaned daily as is the cafeteria, classrooms, and grounds. The campus also has a computer lab with 32 computers, SMART Board, and a closed-circuit television studio. There is also a science lab in the upper grade wing equipped with a SMART Board for hands-on science experiments. The school also has a cafeteria and full kitchen with indoor seating that opens to an amphitheater. Pinetree has a large library with books, tables, carpet area, and computer center for learning. The play area consists of a large field with a 1/5-mile track, soccer field, and softball fields. There is a large jungle gym and sand box area, two black top areas for primary and upper grade students to play tetherball, handball, volleyball, and basketball. There is a separate sandbox area for kindergarten students with swings, jungle gym, and a black top play area. There is a sunshade at the entrance of the school for the students to wait for valet pick-up after school. The school has prepared a well-stocked emergency bin located on campus.

Planned Improvements (2010-11 School Year)

This year's planned improvements include installing and upgrading hardware in classrooms to allow for SMART technology. We will have eight additional classrooms equipped with document cameras and mounted projectors. As funds become available, SMART Boards will be purchased and installed in these classrooms.

A cosmetic addition to our school will be a mural. This is to be painted near the entrance of the campus. The primary blacktop will also be re-lined and partially resurfaced.

School Facility Good Repair Status (2010-11 School Year)

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status.

Item Inspected	Repair Status			Repair Needed and Action Taken or Planned
	Good	Fair	Poor	
Systems: Gas Systems and Pipes, Mechanical Systems (heating, ventilation, and air conditioning), Sewer	x			N/A
Interior: Interior Surfaces (floors, ceilings, walls, and window casings)	x			N/A
Cleanliness: Pest/Vermin Control, Overall Cleanliness (school grounds, buildings, rooms, and common areas)	x			N/A
Electrical: Electrical Systems (interior and exterior)	x			N/A
Restrooms/Fountains: Restrooms, Sinks/Drinking Fountains (interior and exterior)	x			N/A
Safety: Fire Safety Equipment, Emergency Systems, Hazardous Materials (interior and exterior)	x			N/A
Structural: Structural Condition, Roofs	x			N/A
External: Windows/Doors/Gates/Fences, Playgrounds/School Grounds	x			N/A

III. Curriculum and Academics

Quality, Currency, and Availability of Textbooks and Instructional Materials (2010-11 School Year)

This section provides information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school, and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

All students, including English Language Learners, receive textbooks adopted from the most recent state approved list. All textbooks are consistent with the content and cycles of the curriculum frameworks adopted by the California State Board of Education.

In the Sulphur Springs School District, the adoption process begins with a committee of teachers, parents and administrators representing each school in the district. Much time is spent learning the standards and deciding upon the criteria to use when selecting the textbook. Once the criteria for selection has been decided then the publishing companies are invited to come and present their programs to the adoption committee. Members of the adoption committee spend hours perusing the books and extra materials looking for the program that will best meet the needs of all of our students. Once the committee feels comfortable with a program or two, sets of the materials are sent to each school site. At this time all teachers and parents are invited to come and preview the materials for themselves. Input from this preview is collected by the committee members and studied.

Finally the adoption committee makes a recommendation to the board based on the criteria designed prior to reviewing any programs, information from the previews and the hours spent studying and comparing the available programs. The adoption committee makes their recommendation to the Board of Trustees at a regularly scheduled board meeting. Once the board approves the textbook, materials are ordered and staff development is planned to provide all teachers with information about the new program and how to use it in their classrooms during the next school year.

It is the goal of the State Board of Education as well as the Sulphur Springs Board of Trustees that any instructional materials used in the Sulphur Springs schools meet the California Content Standards and be appropriate for use in all of our classrooms.

Textbook and Instructional Materials List

Textbooks and instructional materials used in the district in the core subject areas of English-Language Arts, Mathematics, Science, and History-Social Science.

Subject Area	Textbook Title and/or Publisher	Year of Adoption
English-Language Arts	Houghton Mifflin Reading Language (K-6)	2003
History-Social Science	Scott Foresman History-Social Science (K-5), Harcourt History-Social Science (6)	2007
Mathematics	EnVision Mathematics (K-6)	2009
Other		
Science	Scott Foresman California Science (3-6), Houghton Mifflin California Science (K-2)	2008

Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The assessments under the STAR program show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and

School Accountability Report Card

Reported for the 2009-10 School Year

Published During 2010-11

history-social science in grades eight, and nine through eleven. The CAPA includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations. The CMA is an alternate assessment that is based on modified achievement standards in ELA for grades three through nine, mathematics for grades three through seven and Algebra I and science in grades five, eight, and ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations. On each of these assessments, student scores are reported as performance levels. Detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, can be found on the CDE Standardized Testing and Reporting (STAR) Results Web site at <http://star.cde.ca.gov>.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

Standardized Testing and Reporting Results for All Students – Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

Subject	School			District			State		
	2007-08	2008-09	2009-10	2007-08	2008-09	2009-10	2007-08	2008-09	2009-10

California Physical Fitness Test Results (School Year 2009-10)

The California Physical Fitness Test is administered to students in grades 5, 7, and 9 only. This table displays by grade level the percent of students meeting the healthy fitness zone on all six fitness standards for the most recent testing period. Detailed information regarding this test, and comparisons of a school's test results to the district and state levels, may be found at the Physical Fitness Testing Web page at <http://www.cde.ca.gov/ta/tg/pf/>. Note: Scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	36.4	27.1	14.4
7	N/A	N/A	N/A
9	N/A	N/A	N/A

Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found at the API Web page at <http://www.cde.ca.gov/ta/ac/ap/>.

API Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest 10 percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest 10 percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing 10 schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2007	2008	2009
Statewide	8	8	7
Similar Schools	4	3	3

Adequate Yearly Progress

The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in English-language arts (ELA) and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the AYP Web page <http://www.cde.ca.gov/ta/ac/ay/>.

AYP Overall and by Criteria (2009-10 School Year)

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

	School	District
Overall	No	No
Participation Rate – English-Language Arts	Yes	Yes
Participation Rate – Mathematics	Yes	Yes
Percent Proficient – English-Language Arts	Yes	No
Percent Proficient – Mathematics	No	No
API	Yes	Yes
Graduation Rate	N/A	N/A4

Federal Intervention Program (2010-11 School Year)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the AYP Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

Core Academic Classes Taught by No Child Left Behind Compliant Teachers (2009-10 School Year)

This table displays the percent of classes in core academic subjects taught by No Child Left Behind (NCLB) compliant and non-NCLB compliant teachers in the school, in all schools in the district, in high-poverty schools in the district, and in low-poverty schools in the district. High poverty schools are defined as those schools with student participation of approximately 75 percent or more in the free and reduced price meals program. Low poverty schools are those with student participation of approximately 25 percent or less in the free and reduced price meals program. More information on teacher qualifications required under NCLB can be found on the CDE Improving Teacher and Principal Quality Web page at <http://www.cde.ca.gov/nclb/sr/tq/>.

Location of Classes	Percent of Classes in Core Academic Subjects	
	Taught by NCLB Compliant Teachers	Taught by Non-NCLB Compliant Teachers
This School	100%	0.0%
All Schools in District	100%	0.0%
High-Poverty Schools in District	100%	0.0%
Low-Poverty Schools in District	100%	0.0%

Professional Development

This section provides information on how teachers and staff are trained for instructional improvement.

The Sulphur Springs School District is firmly committed to the continual development and improvement of its teachers. The district provides professional development activities and training to enhance teacher effectiveness annually. During the 2009-2010 school year all teachers were provided with the opportunity to attend conferences, workshops, seminars, and other staff development opportunities. Each Tuesday students were released one hour early to provide teachers with site-based professional development opportunities that include site-based trainings, grade level collaborative planning, and independent planning. Numerous staff meetings focused on analyzing student performance of state and local assessments and how to modify instruction to better meet students' needs. Staff development topics covered all curriculum areas although there was an emphasis on reading, writing, supporting English learners, assessment, science and diversity.

Professional Development Days

This table displays information on the annual number of school days dedicated to staff development for the most recent three-year period.

Indicator	Professional Development Days		
	2007-08	2008-09	2009-10
Annual number of school days dedicated to staff development	3	3	3

School Accountability Report Card

Academic Counselors and Other Support Staff (2009-10 School Year)

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	--	N/A
Counselor (Social /Behavioral or Career Development)	--	--
Library Media Teacher (Librarian)	--	--
Library Media Services Staff (paraprofessional)	1	--
Psychologist	.5	--
Social Worker	--	--
Nurse	.2	--
Speech/Language/Hearing Specialist	.8	--
Resource Specialist (non-teaching)	1	--
Other	--	--

V. School Finances

Expenditures Per Pupil and School Site Teacher Salaries (2008-09 Fiscal Year)

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding school expenditures can be found at the Current Expense of Education Web page at <http://www.cde.ca.gov/ds/fd/ec/> and teacher salaries can be found on the Certificated Salaries and Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

	Total Expenditures Per Pupil	Expenditures Per Pupil (Supplemental)	Expenditures Per Pupil (Basic)	Average Teacher Salary
School	\$5,551.24	\$704.21	\$4,847.03	\$73,708.91
District	--	--	\$5,401.56	\$67,951.00
State	--	--	\$5,681.00	\$68,212.00
Percent Difference – School and District	--	--	10.3%	7.2%
Percent Difference – School and State	--	--	14.7%	.8%

Types of Services Funded (2009-10 Fiscal Year)

This section provides information about the programs and supplemental services that are available at the school and funded through either categorical or other sources.

Categorical dollars support training for teachers in working with special populations of students (English Learners, Gifted and Talented Students - GATE) and general teacher training to support differentiated instruction to meet ALL students' needs. Funds are also allocated to the site to support intervention programs for students who are at risk academically.

Teacher and Administrative Salaries (2008-09 Fiscal Year)

This table displays district salaries for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries may be found on the Certificated Salaries and Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Range	District	Sate Average for Districts in the Same Category
Beginning Teacher Salary	\$41,527.00	\$41,988.00
Mid-Range Teacher Salary	\$64,599.00	\$68,649.00
Highest Teacher Salary	\$85,783.00	\$87,156.00
Average Principal Salary (Elementary)	\$100,558.00	\$109,026.00
Average Principal Salary (Middle)	\$0.00	\$112,489.00
Average Principal Salary (High)	\$0.00	\$113,872.00
Superintendent Salary	\$157,183.00	\$181,890.00
Percent of Budget for Teacher Salaries	39.7%	42.11%
Percent of Budget for Administrative Salaries	4.2%	5.52%

VI. Data and Access

DataQuest

DataQuest is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g. Academic Performance Index [API], Adequate Yearly Progress [AYP], test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
