Interdistrict Attendance Permits

The Superintendent or designee may approve an interdistrict attendance permit for a student for any of the following reasons:

1. To meet the child care needs of the student

Such students may be allowed to continue to attend district schools only as long as they continue to use a child care provider within district boundaries.

2. To meet the student's special mental or physical health needs as certified by a physician, school psychologist, or other appropriate school personnel

(cf. 6159 - Individualized Education Program)

3. When the student has a sibling attending school in the receiving district, to avoid splitting the family's attendance

4. To allow the student to complete a school year when his/her parents/guardians have moved out of the district during that year

5. To allow the student to remain with a class graduating that year from an elementary, junior, or senior high school

6. When the parent/guardian provides written evidence that the family will be moving into the district in the immediate future and would like the student to start the year in the district

7. When the student will be living out of the district for one year or less

8. When recommended by the school attendance review board or by county child welfare, probation, or social service agency staff in documented cases of serious home or community problems which make it inadvisable for the student to attend the school of residence

(cf. 5113.1 - Chronic Absence and Truancy)

9. When there is valid interest in a particular educational program not offered in the district of residence

10. To provide a change in school environment for reasons of personal and social adjustment

Interdistrict attendance permits or applications shall not be required for students enrolling in a regional occupational center or program.

An interdistrict attendance permit shall not exceed a term of five years. Each permit shall stipulate the terms and conditions established by both districts under which interdistrict attendance shall be permitted, denied, or revoked, and any standards for reapplication. (Education Code 46600)

Once a student is enrolled in a school, he/she shall not be required to reapply for an interdistrict transfer and shall be allowed to continue to attend the school in which he/she is enrolled, unless reapplication standards are otherwise specified in the permit.

The Superintendent or designee may deny initial requests for interdistrict attendance permits if school facilities are overcrowded at the relevant grade level or based on other considerations that are not arbitrary. However, once a student is admitted, the district may not deny him/her continued attendance because of overcrowded facilities at the relevant grade level.

Within 30 days of a request for an interdistrict permit, the Superintendent or designee shall notify the parents/guardians of a student who is denied interdistrict attendance regarding the process for appeal to the County Board of Education as specified in Education Code 46601. (Education Code 46601)

(cf. 5145.6 - Parental Notifications)

Revocation of Interdistrict Permit

Students approved for Interdistrict placement shall abide by all school rules and procedures and may be transferred back to their home school of residence at any time during the year for any of the following reasons:

1. Student is excessively tardy or absent from school, or student is brought to school excessively early or leaves excessively late.
2. Student fails to uphold appropriate behavior standards.
3. Students fails to make appropriate academic efforts.
4. False or misleading information was provided.

5. Other conditions that occur that would render continuance inadvisable.

Appeal Process

All appeals by parents/guardian relative to the selection or revocation decisions shall be addressed to the Director of Pupil Services. The appeal shall be in writing and shall be acted upon within 15 working days of its receipt at the District Office. The Director of Pupil Services will make a decision. If the Director's decision is appealed, the Superintendent will make a recommendation, which will be presented to the Board of Trustees. The Trustees' decision is final.

Students who are under consideration for expulsion or who have been expelled may not appeal interdistrict attendance denials or decisions while expulsion proceedings are pending or during the term of the expulsion. (Education Code 46601)

(cf. 5119 - Students Expelled from Other Districts)
