Dear Parents:

This year, Goal Setting Conference days have been scheduled for October 1, 2021. On Wednesday, September 29th and 30th, students in grades TK through 6 will have a minimum day. Friday, October 1st, **ALL** students will have a student free day. On these days, teachers and parents will have the opportunity to meet early in the school year to discuss student strengths and areas to grow. You will receive your child's Goal Setting form during the Goal Setting Conference.

Please look for communication from your child's classroom teacher which includes the Goal Setting Brochure and how to schedule an appointment. All meetings will be done virtually. Your child's teacher will send home a suggested conference time. Parents who are not able to schedule an appointment on one of the conference days will be rescheduled by their classroom teacher.

Thank you for taking the time to review the materials to prepare for conferences. We look forward to partnering with you to support your child for the 2021-22 school year.

Sincerely,

Dr. Catherine Kawaguchi  
Superintendent
